Thanks for the update, Sandi. I appreciate your effort on the cable operator surveys.

Hi Jim:

I hope you enjoyed your Easter holiday.

You should have received a shipment at the end of last week with about 30 ad sales surveys and some cable operator surveys. Tomorrow we will be sending out another shipment with more of each and you'll be receiving another shipment next week as well.

We have been doing everything possible to get more cable operator studies - especially because the rest of the telco's are not producing any results. So we have taken to finding new people on some of the other cable surveys to try and find more options of people to talk to. I believe we have about another 15 which will bring us to 150. And we are working really hard toward that 163 minimum.

Please let me know if you have any comments/questions

Sandi
